

We had an great day of judging on Saturday, May 7th. What a fantastic body of entries we saw – very impressive work! Judging started at 9 AM and finished up around 4:30 PM, pretty fast considering we looked at over 4,500 entries. We had an incredible group of volunteers that really made things run smoothly. A special thanks to all of the great volunteers who helped all day, it was a lot of fun! See page 2 for final results.

2022 EXHIBIT

1st, 2nd and 3rd from each category will now be professionally matted and framed, compliments of Wallingford Frame Central. The exhibit will soon be on-line at www.kenmorecamera.com. Congratulations to Inglemoor High School for placing first in state, and Abigail Glassett of Skyview High School (Vancouver) for winning Best in Show.

RETURN OF ENTRIES

Your photographs are ready to be picked up at Kenmore Camera. Unless you have made other arrangements, please pick up your entries as soon as possible. If you happen to find an image from another school please return it to them (we're operating on the buddy system these days).

SELECT

If you have a "SELECT" ribbon attached to the back of your print, it made it to the final round, which indicates your photograph was in the top ten percent in the category. Nice job!

FINALIST

If your image received a "FINALIST" ribbon, it was chosen by a judge as one of the final 18 images in that category. Way to go!

SELECTION COMMITTEE

They donated the better part of their day to carefully select 30 final images from a body of over 4,500 entries, not an easy task. They were thoughtful, professional and did an admirable job. Our 2022 selection committee was:

Janet Neuhauser - Photographer and educator.

Mel Curtis - Photographer and educator.

Mike Nelson - Commercial Photographer, Amazon

AWARDS CEREMONY and TRAVELING EXHIBIT

For safety and health reasons we will not be having an awards ceremony. However, we will be exhibiting at Wallingford Frame Central this summer (mid-June thru July), and all indications are positive for an exhibit at the Seattle Art Museum in December. Please visit Kenmore Camera's web site periodically for updates www.kenmorecamera.com

STUDENTS AND INSTRUCTORS

We could easily assemble several exhibits from the incredible work we saw. I saw so many wonderful images, please keep it up. It's great to see all of your creative minds at work!

PHOTOGRAPHY INSTRUCTOR ROUNDTABLE

Saturday, October 15th from 10am - 2pm the annual **Photography Instructors Roundtable** returns to Kenmore Camera!
